EcoTank L6270

Double-sided A4 colour 3-in-1 printer with ADF, Wi-Fi Direct and Ethernet

With no cartridges to replace, this is the perfect multifunction (print-scan-copy) double-sided printer with Wi-Fi Direct, Ethernet and a LCD screen for anyone looking for high-quality prints at an incredibly low cost per page. Featuring 30-page Automatic Document Feeder (ADF), 250-sheet front paper tray, high-quality laser-like document printing with pigment black ink and print speeds of up to 15.5 pages per minute[1], you can speed through a variety of tasks with ease.

Say goodbye to expensive cartridges

EcoTank provides hassle-free home printing - the ultra-high capacity ink tanks allow mess-free refills and the key-lock bottles are designed so only the correct colour can be inserted.

Keep on saving

This economical multifunction printer saves you up to 90% on printing costs[2] and comes with up to 3 years' worth of ink included in the box[3]. The included set of ink bottles delivers up to 14,000 pages in black and 5,200 in colour[4].

Epson Smart Panel app

This app enables you to control your printer from your smart device[5]. You can set up Wi-Fi quickly and easily, print scan and copy documents and photos, monitor and troubleshoot your printer.

Modern flexibility

Featuring a compact design and Wi-Fi and Wi-Fi Direct connectivity, you can easily integrate this printer with your existing home set-up and print from mobiles, tablets and laptops[5].

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit the Epson website.
2. Based on Epson calculations, the average cost per page saving and the average number of inkjet cartridges required to print the same number of pages as the average yield of ink bottles included in-box within the EcoTank A4 4-colour range. Comparison between average yield (A4 prints of ISO/IEC 24711) of EcoTank "101" and "103" bottles and the genuine consumables used within the 20 best-selling consumer A4 inkjet cartridge printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, H2 2020 to H1 2021 shipments, published Q3 2021).
3. Up to 3 years of ink included is based on average monthly print volumes of 70 pages for EcoTank home and office printers and 40 photos for EcoTank photo printers. Calculations are based on the lowest included black ink bottle page yield for home and office printers and on the lowest included photo page yield for photo printers.
4. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
5. Mobile printing solutions require a wireless and/or an Internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit www.epson.eu/connect.
